help in identifying the edition and approximate age.

Q3: Are there different scales available for this map?

A3: National Geographic typically offers maps in a limited number of scales. Checking their website or contacting their customer service can confirm the specific scale(s) available for the Russia map.

Q4: How can I clean my National Geographic Russia map if it becomes dusty?

A4: Gently brush off dust using a soft-bristled brush. For more stubborn marks, consider using a specialized map cleaning product or consulting a professional map conservator. Avoid using harsh chemicals or abrasive materials.

Q5: Where can I purchase a Russia Classic Tubed National Geographic Reference Map?

A5: You can try online marketplaces like eBay or
